Realcorp offers a full suite of bathroom hygiene services to ensure your washrooms remain spotless, odour-free, and compliant with health and safety standards. We provide scheduled servicing alongside your regular cleaning contract, or as a standalone service. Urinal Servicing Our urinal maintenance program combines flushing, surface cleaning, valve care and the use of biological treatment products to prevent odours and blockages. By following a structured schedule and using purpose-designed products which attack bacteria at the source, we keep urinals fresh, hygienic and free flowing, reducing plumbing call outs and ensuring a pleasant washroom environment. Air Freshener Servicing Supply and installation of wall-mounted air freshener dispensers Periodic replacement of batteries and cartridges to maintain consistent, trouble-free operation Regular unit cleaning to maintain consistent freshness Sanitary Bin Servicing Discreet removal and replacement of sanitary units Maintenance of clean, lined, and deodorised bins on every service Disposal in full compliance with hygiene and environmental regulations Service schedules tailored to your site’s needs Why Choose Realcorp for Bathroom Services? Flexible scheduling – weekly, fortnightly, or monthly Fully compliant waste disposal Directly employed, trained hygiene staff Discreet, efficient servicing to minimise disruption Potential cost savings if Realcorp is already your cleaning contractor as there is no separate call out Enquire About Bathroom Services Whether you manage an office, residential building, or public facility, our bathroom hygiene programs keep your washrooms in top condition.
