Read More Processes for Keeping Your Office Clean Our commercial cleaning services are underpinned by thorough systems of operations, accountability, inspection, reporting, and responsive communications. Our 6 Systems of Operations & Accountability FreshOps GPS, Cloud based software to track cleaning time, attendance, task scope and on-site team management in real time. Recruitment Process Proprietary multi-layered recruitment process to recruit quality candidates. Training Site specific training, ensuring our team knows exactly what to do, what needs special attention, and how to diligently clean without disrupting your business operations. Quality Checks Weekly quality checks by Realcorp Management (internal) and periodic quality checks with key client contact. Communication Open communication between your management and our team to ensure focus items are identified and quickly addressed. Reporting Detailed regular reporting submitted to you by our cleaning inspection management team. We ensure that you stay across the scope of works that have been completed. What You Can Expect from Realcorp Commercial Cleaning In-Person Meetings We set up an in-person meeting with you to discuss your office cleaning requirements and expectations and make a detailed plan to ensure we can meet and deliver your expectations each and every time. Site-Specific Training Realcorp team members will receive site-specific training to deliver optimal office cleaning and hygiene maintenance specific to you and your building space. Tailored Office Cleaning Our tailored office cleaning work program includes a comprehensive schedule including moving furniture to vacuum underneath and disinfecting frequently touched points such as light switches and

door handles. We know what gets cleaned and when. Well-Organised & Stocked Supply areas are well-organised and stocked, and our equipment is clean and maintained in perfect working order so there should be no hiccups in rolling out your office cleaning schedule – ever. Cloud-Based Checklists Realcorp use cloud-based checklists for our office cleaning clients to ensure that all necessary tasks are completed regularly and never missed. We use the data in these systems to detect and proactively mitigate any issues in real time to keep our service running smoothly. On-Site Quality Checks We conduct frequent on-site quality checks to ensure our clients and staff remain safe, our practices are efficient and our work output is as expected or better. Our management team reviews all completed shifts on a daily basis to ensure all work is completed, so you won't be getting complaints from any workers or visitors to the building. Extensive experience working as property, building and facilities managers in the past, we understand that managing an office building has many facets. Let us assist you with one easy choice, a consistent and high-quality office cleaning service provider that is Realcorp. If you have any questions on how we work, or how we can work together, please contact us. Get in Touch We Deliver Consistent Quality and Service At Realcorp, our highly trained and dedicated cleaning staff pride themselves on providing exceptional service to our clients, big or small, to provide a clean and safe area to work and live. Send My Enquiry This field should be left blank Realcorp strives to provide quality commercial cleaning services to our clients, day in and day out. We do this through our multi-layered recruitment framework to ensure we have the best people in our team and providing them with client specific training. We empower staff to utilise our leading cloud-based technology to offer real-time reporting and task management. Realcorp upper management perform regular quality checks to ensure our business principals of delivering the best quality service is upheld at all times. Quality Our high-touch approach means a quality clean, every time from our experienced staff. Trust Trust is the foundation of all our client relationships. We Care Big enough to cope, small enough to care. Environmentally Conscious Sustainable practices in place to protect our earth. I had to send multiple emails each week to the previous contractor to advise of inadequate cleaning or areas that were missed. But now with the obvious structure in Realcorp's systems, my time taken in overseeing the cleaning contract is significantly decreased. Cathy, McCain Foods I've had numerous staff going out of their way to tell me how impressed they are with the cleaning since Realcorp took over the contract. Paula, Davies Collison Cave It is difficult to find a company that will go that extra mile when it comes to maintaining the clean appearance required with a workplace. Realcorp certainly tick that box. Dani, Nutrano Thanks again for coming out today, it was great to walk the site and review the work. You guys are doing such a great job and are a pleasure to work with! Best so far for this building in 10 years! Anthony, Chairman, 5 Wardens Walk John and the team at Realcorp are extremely reliable and very professional. They respond to queries promptly, their staff are personable and always provide excellent service. Monica, Owners Corporation Manager, The Knight I have been working with Realcorp Commercial Cleaning for a couple of years now and highly recommend their services. Their staff are great to deal with, are reliable and always attend to any issues within a timely manner. The feedback I have received from my Committees so far is very positive. Emma, Owners Corporation Manager, Bluestone OCM Realcorp have been servicing out building since 2018. They have always provided an outstanding service – highly professional, friendly and helpful staff and strong management team so I rarely need to ask them to attend to anything they've missed.
