We meet or exceed all legal, safety, and quality standards – every time. At Realcorp, compliance isn’t an afterthought, it’s the foundation of how we operate. From employment standards to infection control, our clients trust us to deliver commercial cleaning that’s safe, ethical, and fully auditable. Direct Employment, Not Subcontracting We employ all our staff directly. This means: Full compliance with the Cleaning Services Award Superannuation, payroll tax, insurance, portable long service leave No risk of modern slavery or sham contracting Consistent training, supervision, and accountability Many cleaning companies rely on subcontractors who operate outside legal standards. We don’t. Ever. Labour Hire Licensing We are licensed under the Labour Hire Licensing Authority, as required in several Australian states. This protects our clients and their reputations, by ensuring all cleaning personnel are: Paid legally Insured appropriately Cleared to work in Australia Read more in our feature in InClean Magazine → Quality Management & Auditing Realcorp operates under a structured Quality Framework, aligned with ISO principles: Scope compliance tracking via the Realcorp App GPS-tracked time and attendance Photo verification for critical tasks Statistics reports reviewed by our leadership team on a weekly basis Full audit history available on request We tailor audits and KPIs to each client’s site and risk profile. Working With Children & Security Checks We are licensed under the Labour Hire Licensing Authority, as required in several Australian states. All team members cleaning education or child-accessible sites: Hold valid Working With Children Checks (WWCC) Complete site-specific inductions Are monitored for compliance via our rostering system Additional police checks and background verifications are completed as required for healthcare, aged care, and high-security sites. Environmental Compliance (ISO 14001 Aligned) Our sustainability systems follow ISO 14001 principles and include: Eco-conscious chemicals (GECA-compliant where possible) Waste and pollution minimisation Water-saving bin cleaning technologies Support for client-led recycling initiatives We’re committed to reducing our environmental footprint – and yours. Safety & Risk Management Site-specific Safe Work Method Statements (SWMS) Fully insured: public liability, workers comp, and more Ongoing safety training and incident tracking Escalation protocols for service and safety issues Want to see our full compliance pack?
