Our services include cleaning 120L, 240L, 660L, and 1100L, Green, General, Recycling, and FOGO bins. Over time, bins accumulate harmful bacteria, unpleasant odours, and pests that can pose serious health risks. Our professional bin cleaning services ensure that your bins are thoroughly cleaned and sanitized, eliminating odour at the source and reducing the risk of contamination. Our Cleaning Process Our Cleaning Process We use a high-pressure hot water system mounted on a vehicle that collects the grey water and leaves zero mess. After being washed, the bins are disinfected and deodorized. Our processes captures the dirty grey water, preventing it from entering waterways, and we do not use harsh chemicals. Our Pricing Fill in our online form and receive a quote in two minutes! We offer a 10% discount for online quotes. Our Service Area We offer bin cleaning services anywhere within 20km of Melbourne. Scheduling Bin washing can be purchased on a subscription model (fortnight, monthly, bi-monthly, quarterly, six-monthly, or annually), or as a one-off.
